W-SPRING/W-SPRING-AI Symposium

Waseda University operates the "W-SPRING Program" and "W-SPRING-AI Program" with the support of the "Support for Pioneering Research Initiated by the Next Generation" and "Broadening Opportunities for Outstanding young researchers and doctoral students in STrategic areas (BOOST) :Next-generation AI Human Resource Development Program" implemented by the Japan Science and Technology Agency (JST).
We are offering a Symposium including overview of the programs, a message to students, information on doctoral careers, and presentations of research results and outline by doctoral students already supported by the program prior to the Spring 2026 application.

Monday, February 2, 2026, 12:30 p.m. - 2:45 p.m.
Online (Zoom webinar format) (The session will be conducted in both English and Japanese)

Advance registration is required at the following URL
https://w-as-jp.zoom.us/webinar/register/WN_HteXihFuSweZOiX2WeBXaQ

Anyone interested in the program is welcome, including students (graduate/undergraduate students, those who are not affiliated with Waseda University are also welcome), faculty and staff
